APPLIED HEAT TRANSFER

ECM, Inline, Base mounted, Split case, Sump & Sewage systems, Booster packages and tank fill

Gasketed and brazed and Welded Plate Heat Exchangers, Domestic hot water generators

Condensing Hot water boilers and instantaneous domestic water heaters

Inline, Base mounted, Glycol fill, Domestic water boosters, Fire packages, Fuel oil pump sets, Condensate receivers

Full line of Evaporative and Closed circuit Cooling Towers, High performance coils

Brush type cleaning for S&T heat exchangers, Backwash systems for P&F exchangers

Custom engineering packages, Heat Transfer hot water and steam plants, Modular chiller and Cooling tower plants, Building Automation controls

Expansion tanks, Air separators, Buffer tanks, Suction diffusers, Triple duty valves, Pressure and temperature gauges

Full line of close coupled pumps for temperature controllers, hot oil and low temperature chiller
